Others Present: None

The meeting began at 6:00 p.m. with the pledge of allegiance followed by roll call; all members were present. As the first order of business the commission approved the minutes from the last meeting on October 2, 2013.

Old Business

Councilmember Broski asked Chairman Shott if he had received any response from the letter that had been sent in October to the Greystone resident having internet speed issues with Time Warner Cable. Mr. Shott replied that no further correspondence was received from the resident.

Customer Complaints

No new complaints were received.

New Business

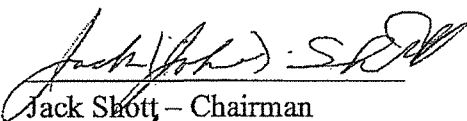

Councilmember Broski gave a brief update on the newest Councilmember Kim Veras replacing Rex Mack.

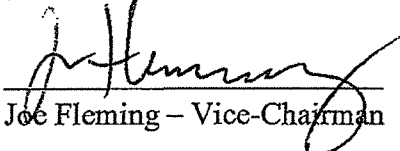

Franchise Fees

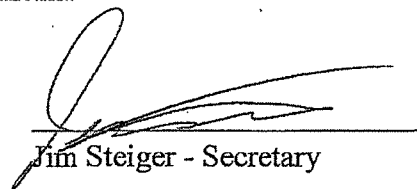

The Commission reviewed the 3rd quarter fees for 2013 and determined that there had been a drop in subscribers for both AT&T and Time Warner which was possibly due to Netflix, the DISH, and the ability to stream movies over the Internet. In fact Joe Fleming said that although he had Time Warner for TV and Internet, he canceled his TV service and went to DIRECT TV. He said there was an incredible price difference for the TV service, and that he had the same amount of channels with whole house DVR use and no equipment fee, versus higher pricing and the rental of two DVR boxes from Time Warner. However, his Internet service is still through Time Warner.

With no further business to discuss the Commission set meetings for 2014 as follows: March 19th, June 18th, September 17th and November 19th. The meeting adjourned at 6:30 p.m.

Motion to adjourn Gerry Broski. Seconded by Darryl Mancini.
