New Business

There was no new business at this time.

Customer Complaints

There were a few letters sent to Council concerning the installation of 5G servers throughout the city. Councilman Broski is waiting to get more information regarding this installation before responding to these letters. Jim Steiger stated he has read that the frequency is higher than what we have now, and more antennas will be placed throughout the city. The Commission asked the recording secretary to reach out to the AT&T representative and see if he would attend the next meeting to inform them regarding the 5G installation. Joe Fleming will ask someone with Verizon to come and explain 5G.

Franchise Fees

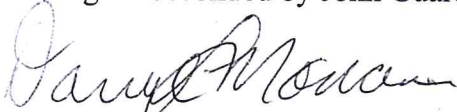

There were no franchise fees to discuss at this time.

Open Forum

Councilman Broski spoke briefly about a few current events in the City such as the grand opening of the police station on September 14. Valor Acres is moving along nicely. Central School is closed.
